Dear Ben:

I cannot even begin to tell you how delighted I was to find your name amongst those tenth graders who will be confirmed this coming Shabbat Eve. Although Lisa and I will not be present for the Service, we want you to know that you will very much be in our thoughts and in our hearts on that very special evening. Your family and I have, of course, shared so very much together over the past years and each of you remains a very precious part of my life. Despite the fact that I am now Rabbi Emeritus of the congregation, I want you to know that I will always be proud to be one of the Schor Family Rabbis – and, most especially, their friend.

Lisa, of course, joins me in sending our most loving *mazal tov* to your family and to you on this important Jewish milestone as well as our prayer that you will continue to treasure this enormously fragile and priceless legacy which will be handed to your classmates and to you at the Service of Confirmation. We do hope to see your family and you often in the months and years ahead and to continue to be a part of one another's lives.

With great affection,

A handwritten signature in dark ink, appearing to read "Stephen Pinsky". The signature is fluid and cursive, with a large loop at the end of the last name.
